Two hops for the pilgrim.  
It's real kind, I say,  
To help Christian along in  
this way

Over Salvation Wall is out  
they say,  
This card helps your pilgrim  
five steps on his way

Five steps now will help  
to tickle  
Madam Wanton and put  
her in a pickle

The good virgins Charity  
and Discretion take Christian  
along for seven steps

The Giant Despair shivered  
and shook but Pilgrim  
Christian ten steps took

Shepherds Knowledge and  
Sincere help Pilgrim  
Christian along for two  
steps

Pilgrim Christian now five  
steps doth go  
You may make them fast or  
make them slow

Evangelist helps Pilgrim  
Christian along for nine  
steps

Christian's pilgrim staff  
is gnarled through,  
but helps give five more  
steps to you

Three more steps and then  
you'll see  
how near the Celestial City  
you'll be

One step for the pilgrim, but  
not a bit more,  
or be forever doomed to  
mine Lucre Hill's ore

Ten nice steps. Oh, watch  
the pilgrim run.  
He's well liked by  
the Shining Ones

Two more steps for the  
pilgrim and then,  
look out for Pope and Pagan  
in their den

Once again, take three  
steps more.  
Is that Giant Slay-good  
at the door?

Now you have five steps  
to take.  
Watch Giant Maul shiver  
and shake

Virgins Prudence and Piety  
take Christian along for six  
steps because they like  
the pilgrim gentleman

Pilgrim Christian has ten  
steps to go,  
but don't tell Pope and  
Pagan so

While Christian goes ten  
steps on the way,  
Mr.Love-lust from Carnal-  
Policy doth play

Great-heart helps Pilgrim  
Christian along for eight  
strides because he is fond of  
him

Pilgrim Christian takes  
one step along.  
Sometimes he isn't  
very strong

Pilgrim Christian now is  
on his way  
Twenty steps are quite a  
lift, I say

Where you go I do not know  
You have three steps, but  
take them slow

To give your pilgrim a  
Salvation cure  
Twenty steps will help, I'm  
sure

Ten steps for the pilgrim;  
isn't it true  
That the more you give,  
more comes to you?

Pilgrim Christian's costrel  
is small,  
He has five steps now and  
that is all

The pilgrim goes ten steps to  
insure  
The Fountain of Life his  
woes will cure

Just think! Five nice big  
steps you get  
To help your pilgrim out of  
the wet

If you will help Pilgrim  
Christian along,  
Give him two steps and  
sing a psalm

For ten steps on the way to  
the Land of Milk and Honey,  
The pilgrims all forsake their  
money

Dear me! You'll have to  
move Pilgrim Christian to  
Lucre-hill and lose a turn.  
It would have been nicer to  
rest on Ease Plain.

One good step does your  
pilgrim get  
To keep out of the flatterer's  
net

My! You seem to be  
coming along.  
Three steps! The pilgrim is  
going strong

The shepherds whisk you to  
the By-way to Hell near  
Clear Hill. Lose two turns  
out of fright after peeking  
through the door in the hill.

Well, this is pretty good, I'm  
sure.  
Four steps toward the  
Salvation cure

Christian sings a pilgrim  
song.  
You get ten steps. Ding-  
dong! Ding-dong!

If I were you, I think, just  
now,  
I'd take ten steps, but no  
vain-glorious bow

Just one step in the  
pilgrim's habit.  
If you lose your hat,  
Mistrust will grab it

Hark! A snare did snap and  
fall.  
One step for your pilgrim,  
that is all

<p>I know you like Christian, too. I'd give him five steps if I were you</p>	<p>If you will help pilgrim Christian along Give him two steps and sing a song</p>	<p>Each time you pick this card up so Your pilgrim gets five steps, you know</p>
<p>This is better...take four hops, Before Pilgrim Christian his staff drops</p>	<p>Some wine and raisins now and then Will gain Pilgrim Christian a hop of ten</p>	<p>Good luck now in your peregrination. You get three steps to eternal Salvation!</p>
<p>Five steps now, you'll please to take. I hope you win some parched corn cake</p>	<p>Five steps, or jumps, as you prefer. But remember Lot's wife, don't look where you were</p>	<p>One for your money! Two for a show. Three to make ready then ten steps to go!</p>
<p>Ten steps for your pilgrim! My, but that's fine, Some pilgrims I know would only get nine</p>	<p>Four steps! Pilgrim Christian's on the way, to find eternal life today</p>	<p>Take three steps Christian, but watch what you do, Or you might fall right in the slough</p>
<p>The Virgins Discretion, Prudence, Piety and Charity invite Christian to House Beautiful</p>	<p>Pilgrim Christian must go to the Interpreter's house to learn about original sin in the dusty parlor</p>	<p>Now five nice steps; are you nearly through? Pilgrim Christian thinks a lot of you</p>
<p>Atheist convinces your pilgrim there is no Mt. Zion, so you move back six paces</p>	<p>Christian's "all-prayer" from the House Beautiful armory delivers him from evil and he advances six steps</p>	<p>Pilgrim Christian must go to the mouth of Hell in the Valley of the Shadow of Death and lose two turns</p>
<p>Christian proceeds to House Beautiful to get a loaf of bread, a bottle of wine and a cluster of raisins from the virgins</p>	<p>Christian passes Pope and Pagan's cave without injury, singing a rejoicing song for six steps</p>	<p>Judge Hate-good summons you to Vanity-fair</p>

Two paces will help you  
pass right through,  
As long as you notice there  
are steps in the slough

Again it is your turn, I see  
Your pilgrim now steps one,  
two, three

Two steps you may have,  
but two only, mind!  
I'm sure you would like  
more because you are kind

Christian's burdens tumble  
into Christ's tomb at the  
foot of the cross,  
lightening his step for  
eight paces

Christiana gets a perfumed  
letter from God, which lifts  
her spirits for seven steps

Your pilgrim must go to the  
pillar of Lot's wife for  
having looked at something  
with a covetous heart

Great-heart gives  
Christiana's boys raisins  
and figs,  
So they skip four steps and  
do a jig

Christian gets a Broidered  
coat and Diploma with a seal  
from the Shining Ones,  
giving him such comfort he  
strides ahead twelve paces

Shepherds Knowledge and  
Sincere help Pilgrim  
Christian along for five steps  
to show him Mount Marvel  
and Mount Caution.

Mr. Legality from the  
Town of Morality slickly  
counsels you to take a red  
card

Little-faith from the Town of  
Sincere tells the pilgrims  
about his robbery. In  
sympathy, they move  
forward only one step.

Just my luck  
I have to take a red  
card

Take two steps back, at the  
sight of terror,  
In the Delectable Mount-  
ains where pilgrims fell  
from Mount Error

Leap ahead two steps, lest  
you consent  
To Madam Bubble's lures of  
carnal and fleshly content

This little favor the Shining  
Ones grant you  
Ten steps for your pilgrim.  
That's quite a few

Three steps may help you  
win the game  
If not I will take the blame
